

## The 5-Sentence Power Pitch: Participant Workbook

**Sentence 1: The Power Identity** : Stop stating your name; lead with your seal of quality to establish immediate authority.

- **Formula:** "I am [Name], a Kiran Scholar and [Branch] Engineering student with a focus on [Your Specialization]."
- **Draft Yours:**

---

---

**Sentence 2: The Technical Proof** : Precision over generalization. Use industry-relevant keywords to prove you are tech-fluent.

- **Formula:** "Currently, I am honing my expertise in [Skill A] and [Skill B] to solve [Industry Problem]."
- **Draft Yours:**

---

---

**Sentence 3: The Win (Quantifiable Result)** : Don't describe the process; describe the result. Focus on Level 4 ROI to build credibility.

- **Formula:** "I recently [Action] which resulted in [Measurable Outcome/Learning]."
- **Draft Yours:**

---

---

**Sentence 4: The Resilience Edge** : Show you are data-driven and resilient. Being a Kiran Scholar proves you thrive under pressure.

- **Formula:** "Being selected for this scholarship has taught me to thrive in [High Pressure] environments."
- **Draft Yours:**

---

---

**Sentence 5: The Strategic Close** : Drive the next step with a low-friction request. Aim for insight, not a job.

- **Formula:** "I am eager to learn from leaders like you; would you be open to a [Brief Connection]?"
- **Draft Yours:**

---

---
